

TCG Meister Quick Reference (Tournament Setup)

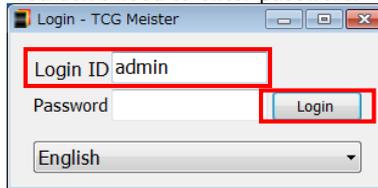

1. Start TCG Meister.

Double click the TCG Meister shortcut icon on your desktop.

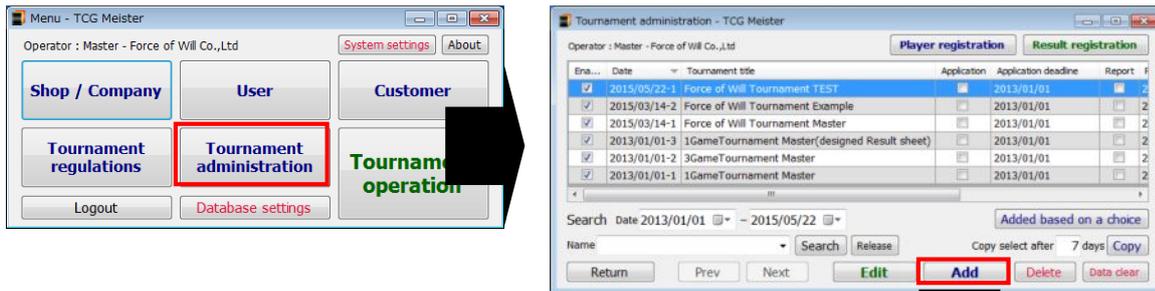

2. Login.

Enter "admin" in login ID and click "Login" Button. You don't need to enter password.

3. Register tournament

Click "Tournament administration" from menu, then click "Add" button

Enter information for the tournament data, then click "Save Update".

Register tournament date and number. If you have two or more tournaments in the same day, change the tournament number if needed.

Enter tournament name and format. Choose "Force of Will" for format.

In pairings, trying to avoid a player match up with different score players more than one time. (recommended)

Enter maximum number of players and rounds. ** Please make sure your entered correct maximum number or rounds.

"ID for tournament players. If you run your tournament by their name only, you can turn off. Put them their number automatically if you check "Auto Numbering". We only need three digits except for you'll have events more than one thousand players.

Choose "Force of Will" for result entry sheet format.

Make sure to click "Save Update" button.

Save / Update

Now you're ready for the tournament.

TCG Meister Quick Reference (Running Tournament)

1. Start TCG Meister.

Double click the TCG Meister shortcut icon on your desktop.

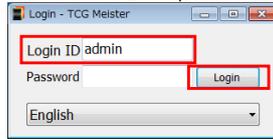

3. Register tournament

Then choose the tournament you'll run and click "Player registration" button.

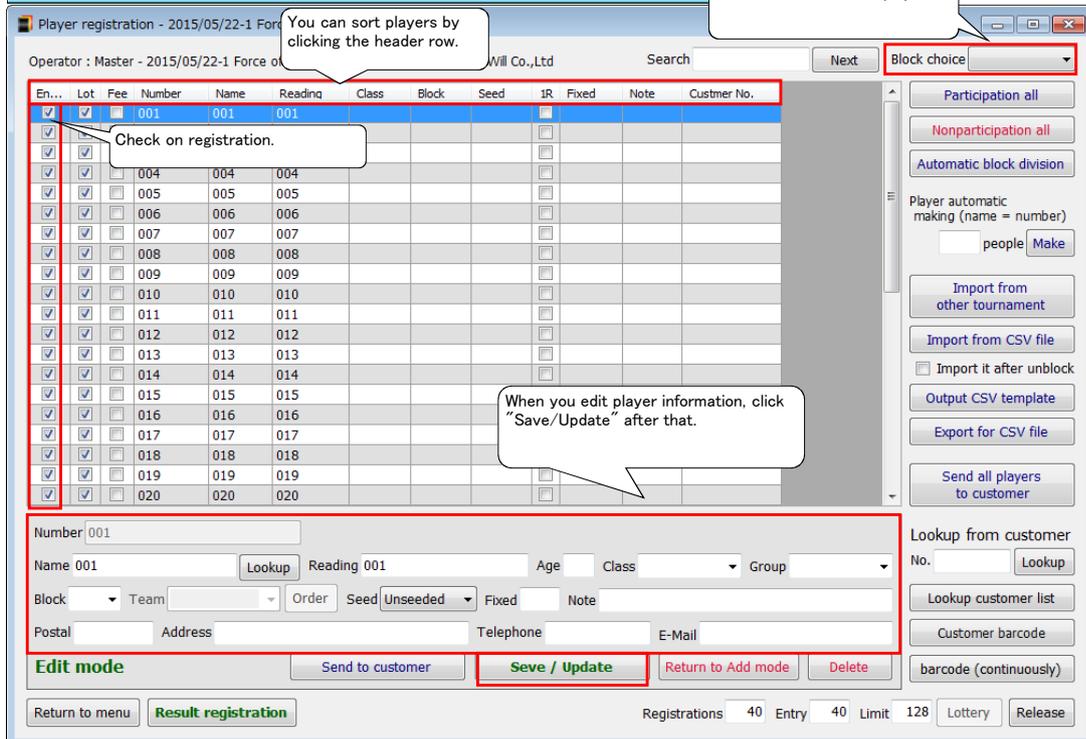

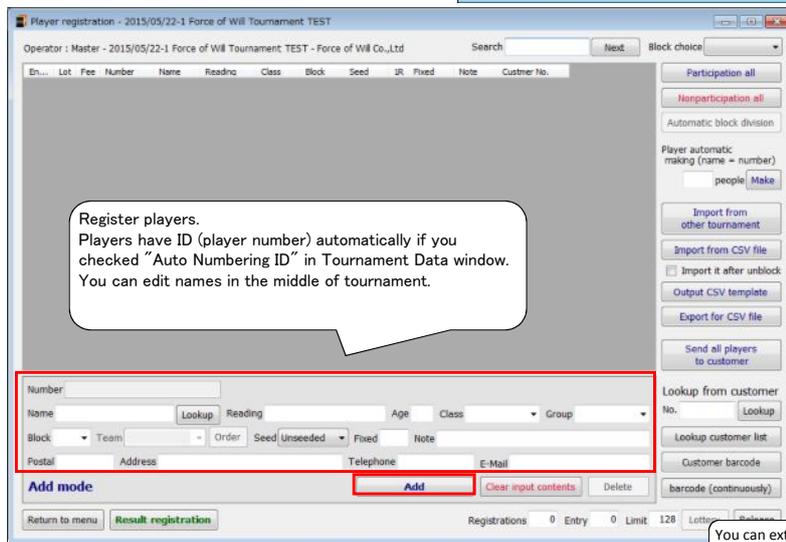

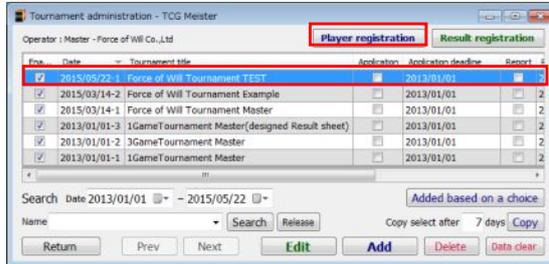

2. Login.

Enter "admin" in login ID and click "Login" Button. You don't need to enter password.

4. Register Players

Register players on Player registration window. After registration, click "Result registration" button to move to result window.

5. Rounds: Make Parings

Click "Result" from Player registration.
Make parings for round 1 on result window.
Make the parings, print them out and start round 1.

Make parings by "Paring" button.

Please make sure that the round shown is round 1, then make parings.
